Explanation of Responses:

2. The option provided for vesting of up to one half on June 28, 2013 and up to one half on June 28, 2014, in each case based on the relative total shareholder return on the Issuer's common stock versus that of a peer group.
3. The options were rescinded with the consent of the reporting person and without payment to the reporting person due to the fact that the original grants with respect to which these options were a part exceeded the sublimits of the applicable plan by the number of shares as to which the options were rescinded.
